## ELITE eHACK ATTACK™

### ELITE FEATURES

- **Large 12" touch screen monitor** for quick navigation through our extremely user-friendly software
- **Standard (pre-set/default) Pitches** designed for quick, simple operation with eight standard pitches instantly accessible (fastball, change-up, heater, riser, screwball right & left and drops)
- **Manual Mode** allows the ELITE to function as our basic Hack Attack providing you access to each motor and allowing you to customize pitches
- **Favorite Pitches** fine-tune a pitch and save from both manual and standard modes
- **Favorite Sequences** (up to 10 per sequence) can be quickly saved and accessed to challenge the mechanics of any hitter or replicate a specific pitcher

Save up 20 pitches to your favorites file and immediately access and modify in any order at any time.

### ELITE SPECIFICATIONS

**Speed** - 80+ MPH

**Fungo** - Pitches only

**Vision** - Complete ball vision provides a realistic sense of timing

**Accuracy** - Gripping in three locations provides tremendous control and accuracy

**Recovery Time** - Less than 8 seconds, with three wheels it is almost instant

**Efficiency** - Use touch screen for pitch selection, no throwing head adjustments
